

BASELAYER™

Smooth Matte Finish
with Design Flexibility

By Lettermans

Overview

BaseLayer™ is Lettermans' foundational wallcovering collection, smooth, adaptable, and designed for the majority of client projects. With a matte finish and exceptional print clarity, it provides the perfect balance of subtlety and design for schools, retail spaces, and workplace interiors. BaseLayer™ can be applied to both smooth finished walls and textured surfaces such as brick and stucco, making it one of the most versatile wallcovering options available.
